UPHOLSTERY TACK

**Diamond Heads** - *Sophisticated Simplicity.* These easy-to-apply tacks add luxury, elegance and a unique look to any fabric, upholstery or wood furniture.

**Diamond Heads** are Made in the USA. Using American companies, we know we are getting only the best materials and craftsmanship. Our people are well compensated for providing a quality product. That is important to us at Diamond Head.

**Diamond Heads** are made of plated solid steel and exquisite genuine Bohemian crystals and stones. Each Diamond Head stone evokes a specific emotion and impression. What do you want your home environment to say about you?

**Diamond Heads** offer a fun, affordable and fashionable alternative to make outdated furniture new and exciting again. We continuously seek new stones and crystals because we share your passion for beauty, elegance and creative interior design.

We want to captivate, delight, invigorate, and amaze you with the potential available to stylishly personalize your home environment. All you need are Diamond Heads!
